Massive Ground-Floor Style & Substantial Private Garden

Larger than most with a spacious modern interior complemented by substantial private garden, this stylish two bedroom, two bathroom apartment is perfectly situated on the ground-floor of a secure boutique block. Easy single-level access from the entrance lobby leads directly to the immediately impressive spaces of this quality low-maintenance home where the extensive sunny garden and a fabulous undercover terrace provide an idyllic alfresco backdrop. A luxurious look and feel enhances the superbly-designed layout where a concealed study workstation fronts an extra-deep, open-plan dining and living zone with sliding doors onto the garden-set terrace. Cased in shining stone surfaces, the gourmet kitchen boasts excellent Smeg and Bosch appliances while there's a brilliant bathroom, full-size laundry, 2nd bedroom with mirror built-in robes and off a split-level lies the main bedroom with an indulging ensuite (clawfoot bath), study nook and mirror built-in robes. Accompanying this outstanding opportunity is split-system heating/cooling, TV/data points, plus a secure car parking space and a storage cage. A rare combination of extensive garden and oversized living is matched by the great location with quick and easy access to Burgundy Street's cafes, restaurants, shops, supermarkets, the Heidelberg train station, parklands, schools and the Austin/Mercy Hospitals.
