Spacious ground floor living with 95sqm terrace space

233sqm of Ground floor living overlooking Byron Street.

Apollo Bulimba celebrates Brisbane's love affair of our iconic river. Harnessing the natural beauty that riverfront living provides, combined with the blossoming lifestyle of Bulimba as it continues its growth as one of Brisbane's blue-chip family friendly, stylish and fun inner-city suburbs. Those familiar with Bulimba will know the ever-developing Oxford Street precinct offers locals an array of entertainment, shopping, food, and beverage options. Plenty of parks, excellent schools and transport options further enhance the neighborhood ensuring Bulimba's position as one of Brisbane's most livable suburbs.

Experience the mediterranean-inspired, sub-tropical lifestyle with Apollo Bulimba. With pristine white textured finishes, rich bronze and copper accents, and a lush facade provide a timeless and considered design that is truly stunning and refreshing. Luscious terracing planting and beautiful silhouettes soften the ground floor and rooftop terrace, creating a relaxing atmosphere from the entry of your residence to day-to-day living amidst your luxurious riverfront home.

The street-frontage balconies are adorned with flora to activate the ground floor edge eco-condition and bring life to the street frontages. Apollo is a lavishly appointed and tranquil escape from the hustle and bustle of everyday life without being too far from your everyday conveniences offered around inner city living.

Apollo Bulimba redefines the art of riverfront living, blending the faultless balance between exceptional luxury and a practical living experience. Sprawling across 16m of absolute Brisbane Riverfront and lavishly appointed with the finest quality finishes and Mediterranean inspired styling, each residence is more than just a home it's the perfect destination for those who seek excellence in every way.

Designed by acclaimed Brisbane architect, Esat Design Apollo Bulimba will be an iconic riverfront development for decades to come. From the bespoke brickwork façade to travertine style porcelain tiles and Natural Travertine benches, each element has been meticulously crafted to ensure this stunning development is timeless in style and functionality.
