THE APARTMENT Walk into the living area and be greeted with timber floorboards throughout the apartment. The master bedroom has built in robes and really, this is the centrepiece of the apartment as it leads onto the Balcony and great light streaming through. Further on, there is a modern kitchen with internal laundry facilities and the 2nd Bedroom, which can fit a King Single and also has built in robes. The bathroom has recently been renovated and makes getting ready in the morning just that little bit more luxurious. In summary, a great pad to come home too!

THE BUILDING "Bon Sejour" - is French for "Enjoy your stay" - and we hope that you do! A small Art deco block of only 4 apartments (Security intercom entry), this is a fantastic retreat and quiet too, for comfortable living. A common courtyard at the front of the building, a common laundry (internal facilities also provided) and rear lane access to Victoria Road, makes living easy - as that's how it should be right?

THE LOCATION Only a small downhill stroll to Bondi beach in approx. 10 minutes and up the road to Bellevue Hill shops or glorious parks and golf courses within an easy distance, this is a great place to enjoy if you are a couple or professional looking for a 'home.'
