Villa Value with a Hint of Vogue

A chic look for a classic layout, this renovated two bedroom brick unit gives you the private edge you've been looking for. Peacefully positioned at the rear of a boutique group, this fresh find enjoys a cheery living and dining room, a stylish kitchen with custom breakfast bar and quality appliances (induction cooktop and lve oven), two generous bedrooms with built in robes, a fully appointed bathroom with timber look tiles, a separate toilet and a neat laundry. The beautifully private escape of a west facing rear garden courtyard has an open lawn for your furry friend and the flexibility to utilise the tandem carport as an alfresco or alternative area. An ideal starting point or savvy investment, this modernised gem is smart and secure with laminate and tiled floors, light sheers and security doors. In a quiet yet convenient pocket, super close to the Melbourne University tram, Koornang Park and the 626 bus to Chadstone Shopping Centre via Carnegie station, walk to Koornang Road's diverse grocers and eateries, Carnegie Primary School and Left Field café.
