Yarra River Sophistication with First-Class Amenity

Contemporary design excellence and riverbank privilege are the signature elements of this single-bedroom entertainer, which is elevated by uninterrupted views across the Yarra & Point Park.

The interior domains benefit from floor-to-ceiling glass, while the smooth transitions to the balcony, and the views offered therein, present a lively and theatrical space that is perfectly-suited to entertaining.

Its high-quality composition is captured by the homemaker kitchen, which comes equipped with full-length preparation bench, high-volume cabinetry, and quality stainless-steel appliances.

A single north-facing bedroom with balcony access is accommodated by a central bathroom with floor-to-ceiling tiling and rainfall shower.

Building amenities include a garden atrium entry, gym, pool, spa, steam room & sauna, library, business centre, outdoor herb garden, communal lounge, secure bike storage, and barbecue facilities.

Perfectly positioned with immediate-access onto the West-Gate Freeway and into Docklands, you are poised to take advantage of your close proximity to DFO South Wharf, South Melbourne Market, West Gate Park, Melbourne Arts Precinct, and Albert Park.
