About SH International
SH International is a project management and property development firm, with headquarters located in Eastwood with over 30 years of experience within the property sector. Focusing on property developments in Sydney for investors worldwide, the company features architects, engineers, builders, suppliers, and marketers. As both project manager and builder, SH International delivers each project, from concept to completion. Their latest development is 2-4 Cambridge Street in Epping, a 23-level high-rise building designed by their regular collaborators Zhinar Architects. Inspection as advertised or by appointment.
