NEAT COLLINS & QUEEN HOME WITH HUGE TERRACE

On offer is this stylish and modern 2-bedroom COLLINS & QUEEN apartment, ideally located close to public transport, schools and shops.

This beautifully appointed apartment has an open floor plan living zone with timber floorboards. The kitchen is modern and chic, incorporating gas cook-top, stone bench-top, dishwasher drawer and plenty of storage.

The living area flows out onto a HUGE private terrace, which offers plenty of morning sun.

The main bedroom comes with built-in-robos and natural light, whilst the second bedroom works perfectly as a guest bedroom or home office.

There is a stylish central bathroom that features floor to ceiling tiles, mirrored vanity and beautiful finishes.

Rounding out this fabulous Essendon pad is a Euro-laundry, split system heating/cooling, secure swipe/intercom entry and secure basement car park & storage cage.

Don't miss this fantastic opportunity, ideally located in Essendon, just a short stroll to shops, cafes, restaurants, and bars. And with public transport on your doorstep, and the Tullamarine Freeway only minutes away, this apartment wants for nothing.
