\$850,000

Set in the well-heeled suburb of Hawthorn within moments of the elite private eastern school belt, this three-bedroom property delivers elite-level prestige with a luxurious material palette, sparing no expense, overlooking no detail. 110 sqm internal dimensions are the first indication of the property's scale & scope, with its light & airy atmosphere owing much to floor-to-ceiling windows maximising natural light. A collaboration between the square-set interiors and polished timber flooring results in a thoroughly modern designer feel that is underscored by a deliberate, low-maintenance emphasis. The master bedroom is separately zoned, boasting an ensuite, WIR, and private sunset balcony. Two final bedrooms share a second bathroom. Features include a Euro laundry, shaded living room balcony, and a gourmet kitchen with stone waterfall island, breakfast bar, stainless-steel appliances, and premium cabinetry. Moments from Kew Junction, Glenferrie Road, the Yarra River, and Studley Park, this blue-ribbon address represents an outstanding lifestyle opportunity not to be missed.
