139sqm of bespoke living in the heart of the Newport village

OCTAVIA.

Rarely does a development come along that completely bucks the trend, setting a new standard of luxury and lifestyle. Introducing: Octavia. Eight superb two-bedroom residences. Eight convenient kilometres from the CBD. This is apartment living, reimagined. Luxury, redefined. A class of its own, a game changer in every sense. Welcome to your new home.

INTERIORS

A spacious open-plan living area is the centrepiece of each residence and effortlessly opens up to an oversized-outdoor terrace, creating the perfect entertainment space. No expense has been spared. Think stone bench tops, Bosch appliances, dark-timber cabinetry and Oak chevron timber parquetry, which will be the envy of friends and family, and no doubt awaken the Masterchef within. Natural light floods the space, creating an air of unparalleled luxury.

ARCHITECTURE

These days, the options are limitless when it comes to picking the perfect place to live. But it doesn't take long to realise Octavia is a cut above the rest in every sense. The finishes are premium, no corner has been cut, every aspect has been thoughtfully considered, culminating in a luxurious yet functional home for discerning palettes.

UNPARALLELED LUXURY

"The brief to my team was to create the ultimate, high-end luxury residences, a truly premium offering unlike anything else on the market. I wanted the home owners to feel like they were checking in to a five-star hotel you might find nestled in Monaco or along the Italian coast every time they arrived home. I truly believe we've achieved that."
