Stylish, well designed and finished we offer this first floor two bedroom plus study apartment. Features include a porcelain tiled living/dining room with a split system heater/air conditioner and access to the balcony while the kitchen is just gorgeous with stone benches and stainless steel appliances. There are 2 bedrooms with built in wardrobes as well as a bathroom and separate toilet. There's also the bonus of a single car space on title and a cage for additional storage. And better still, from here you can walk to buses, Croydon Park, Main Street and Croydon train station.
