This luxuriously appointed contemporary apartment in the “Huas” development offers a unique opportunity to reside in one of Collingwood’s best boutique buildings. Definitely not your average 1 bedroom apartment, this executively designed home has size and space with a large open plan living and dining area, in addition to a wonderfully appointed kitchen complete with stainless gas cook top, dishwasher, integrated refrigerator and all the storage space you need. Featuring a genuine full sized, generously proportioned bedroom with built in robes and a second reverse cycle heating/cooling, sparkling bathroom and European laundry off the entry hall and a great balcony, this property boasts space the others just don’t have. Did we forget to mention the giant study area adjoining the living room with huge amounts of storage and ideal for WFH. Ideally located within a short walk to vibrant Smith and Gertrude Streets, Coles and Woolworths Supermarkets, CBD public transport, and all that inner city living has to offer. VIEWING TIMES are subject to cancellation/change 3 hours prior to the open for inspection. We advise that you check the listing on the day, to ensure that the property is still available prior to inspection to avoid disappointment.
