Live the Highett high-life from your own boutique apartment on the edge of the strip with unmatched convenience yet a beautifully private setting. Occupying the first floor with light with luxe interiors taking advantage of a bright and breezy north-westerly aspect. This generous 2-bedroom, 2-bathroom abode exudes an air of chic, sophistication with French Oak flooring flowing through a contemporary open-plan design. With extra-high 2.6m ceilings the living and dining zone flaunts a stunning sense of space and style. Elegant black accents elevate an ultra-stylish kitchen with a smoked mirror splash reflecting the home's outdoor entertainment area. Contrasting black and white stone and soft-touch cabinetry reinforce the designer aesthetic, while high-end Ilve appliances (gas cooktop, oven, microwave and dishwasher) and a pull-out pantry ensure cooking is a breeze or eat out at one of the many vibrant restaurants dotted along Highett Road. The main bedroom, featuring mirrored built-in robes and a stunning fully tiled ensuite, the master also has space for a custom-fitted study nook to double as a home office or additional custom storage. The second bedroom opens to a private terrace. The main bathroom is also hotel-style with large format tiles, mosaic marble feature-wall along with a sleek black vanity and designer tapware. Brimming with prestige extras including a stone-finished European laundry, retractable insect-screens, double-glazed windows, and reverse cycle air conditioning. Also, a security foyer, video intercom, basement parking and storage unit. Steps to Highett village with its restaurants, cafes, Woolworths and the train station on your doorstep, and parks, the bay and Southland nearby.
