Presented with stylish tones just footsteps to Merri Creek trail, is this exceptional apartment that's high in style yet low in maintenance. With polished bamboo timber floors underfoot, wonderful high ceilings above, Miele stainless steel appliances to the modern kitchen and with lots of natural light throughout, strong contemporary appeal is present at every corner of this lovingly maintained property, which is also climate controlled via split system heating and cooling. The vastness of the open plan living instantly appeals, as does the area's integration with the huge paved balcony, which is also accessed by the two spacious bedrooms (master with ensuite) that offer outstanding storage. There's also a stylish bathroom combined with a fantastic Euro laundry. Added features also include quality window furnishings, carpets and a secure undercover car space with two cages.
