Top-Floor Sanctuary in Historic Conversion

Experience the perfect blend of heritage charm and modern sophistication in this meticulously presented one-bedroom apartment. Set within a converted 1915 plumber's workshop, this top-floor corner unit offers an abundance of natural light through large windows, while seamlessly connecting indoor and outdoor living with two private balconies. Impeccable floorboards, sleek modern finishes, and automatic blinds create a contemporary atmosphere, complemented by the comfort of ducted air conditioning. Overlooking lush parklands with a hint of water in the distance, this apartment is both a tranquil retreat.

Property Highlights:

- Unique apartment in a converted 1915 plumber's workshop
- Immaculate presentation with floorboards throughout
- Seamless indoor-outdoor flow with two private balconies
- Ducted air conditioning and sleek modern finishes
- Corner top-floor position with large windows and automatic blinds
- Overlooks lush green parklands with water glimpses
- Secure car park spot for convenience and peace of mind
- Close to Cabarita ferry, bus services, foreshore walk, village green, country club, and shops
