If you love massive doses of convenience to go along with your epic coastal lifestyle, this inviting apartment in the heart of Forster could be just the ticket! Everything is on your doorstep, from the sands of Forster Beach to the amenities and cafes of the town centre. Plus, you get to enjoy it all from your chic, low maintenance home!

The centrally-located complex offers a secure garage parking spot dedicated to this unit, complementing the visitor parking. Beautifully maintained gardens of rolling lawns and lush flower beds offer a sanctuary for residents looking to connect to nature.

Located on the third floor of the solidly constructed complex, the apartment has a spacious feel thanks to the open-plan design of the kitchen, dining and living areas. Lit with downlights and brightened by a feature wall, this is a space that's as functional as its comfortable, perfect for entertaining or simply relaxing.

You'll love the easy flow from the living area, through sliding glass doors and out to the private, covered balcony. Here you can enjoy the peaceful water views all year around! Perfect when taken along with your morning coffee!

There are two bedrooms, both carpeted and the master coming with a ceiling fan. Built-in-robos are a feature of each, and they also enjoy easy access to the main bathroom, complete with shower-over-bath, toilet and vanity, adorned in coastal-influenced décor. There's an internal laundry too, a handy feature that isn't common in apartments of this era.

Within walking distance of the beach, cafes and shops, this property is perfect for downsizers, investors, or anyone seeking a low-maintenance, coastal retreat. Get in touch with JKL today and lets secure your slice of beachside living!
