Coastal Apartment Opportunity in a Prime Spot

Situated in one of Forster's favourite complexes, with nothing but Little Road separating it from the blue lake waters, this apartment is an idyllic opportunity to embrace a low-maintenance coastal lifestyle. One of convenience in a comfortable, investment-worthy property that is close to everything you need! The boutique three-story complex sits behind beautifully manicured gardens, a testament to the exceptional building management. There is ample parking, including a lock up garage reserved exclusively for this apartment. Entry is into the breezy, open plan living and dining room, a beautifully lit space with a ceiling fan, timber floorboards and a minimal, surfy ethos. It leads into the kitchen, a space defined by ample cabinetry, extreme functionality and an easy-care approach. The close proximity of the kitchen is ideal for lovers of entertaining, who will also appreciate the sliding glass door access to the balcony outside. This is the perfect spot for a morning coffee or an evening sundowner, a chance to appreciate the fresh air and the views across to the water. There are two bedrooms in the unit, both generous in size and with lush carpets. The master suite has a ceiling fan, while both have easy access to the main bathroom. Here you'll find a glassed-walled shower, a separate bathtub, a vanity, toilet and eye-catching tiling. There's also an internal laundry, which a nice touch not often found in coastal apartments. The new owners will enjoy the best of both worlds exceptionally close proximity to the beach and outdoor attractions of Forster, with all the amenities and shops of the town centre almost on their doorstep. We'd love to tell you more about the apartment and its stunning location, so please get in touch with the JKL team today.
