Two Bed, Two Bath, Two Car, Two Balconies in 'Royal Como'

The breath-taking panorama across the Yarra River, Melbourne's city skyline and neighbouring suburbs from this fabulous 14th floor residence designed by Bruce Henderson Architects is just one of the remarkable highlights this elegant home offers.

Providing a sensational inner-city lifestyle only moments from the Yarra River, trams, eateries, Vogue Shopping Plaza, Chapel Street and South Yarra Station, a carefully considered floorplan capitalises on a brilliant northern orientation and stunning views.

Tailored for superbly zoned, single level living with a focus on alfresco entertaining, the home offers two bedrooms with built in robes; the main bedroom with luxuriously appointed ensuite bathroom with separate shower and bath, ample wardrobe space and private balcony.

An open plan living/dining area, separate kitchen, fully equipped with integrated fridge/freezer dishwasher, pantry space and plenty of cupboard/bench space. Sliding doors to a covered balcony create the perfect setting for entertaining friends and family.

Central bathroom with large shower, full-sized separate laundry, reverse cycle heating/cooling, timber flooring, video intercom, separate study area and secure carparking for two cars (not car stackers) plus a storage cage complete the package.

Additionally, 'Royal Como' boasts resort style facilities such as a resident pool, lift access, meditation room, open lounge, dining space and gymnasium.
