Located on the northern bank of the Parramatta River, No. 125 Meadowbank is perfectly located to take advantage of the Meadowbank foreshore and Ferry terminal, just 300m away, and the local amenity. Located in between two major shopping precincts, Rhodes Waterside and Top Ryde shopping centres, means your weekly shopping is a breeze. Local Aldi and Super IGA are just a 5 minute walk for a quick grocery top up shop. Access to transport has never been easier. Within a short walking distance, you'll reach Meadowbank ferry terminal or train station, and plenty of local bus routes. From there you can travel easily to the City, Parramatta, Chatswood, Epping and other major suburbs around Sydney. For those residents seeking a 'greener' mode of transportation, additional cycle-ways and shoreline paths are accessible.
