World-Class Penthouse-Style Residence That Will Take Your Breath Away

Created to provide an exceptionally spacious home with designer aesthetics, flowing living areas and inspiring harbour and city panoramas, this impressive penthouse-style residence sets a high benchmark for contemporary living in a prestigious harbourside address. It offers a unique sanctuary of style and sophistication with state-of-the-art finishes and an uplifting sense of light, space and privacy, showcasing a beautiful interior design by Architect Pierre Della-Putta.

A stunning penthouse-style residence designed for luxury and modern living:

- Exceptionally spacious with designer aesthetics and breathtaking panoramic harbour views
- Entire-floor residence with approximately 230sqm of internal living space
- Beautiful interior design by Architect Pierre Della-Putta
- Prime northerly aspect with panoramic harbour views from every room
- Three large bedrooms with Rimadesio Italian custommade wardrobes
- Imported Italian kitchen by Paolo Pininfarina (Ferrari designer) with fully integrated Swiss-made V-ZUG appliances, Sub-Zero fridge and freezer, and a butler's pantry
- Arclinea wine fridge with automated doors, dual temperature settings, and capacity for more than 100 bottles
- Light-filled open interiors with generous entertainment zones
- World-class finishes and high-end inclusions for a sophisticated living experience

Extra Features:

- Luxurious Italian full slabs of natural marble throughout
