\$750,000 - \$825,000

A dual floor design accentuating separation and natural light, this townhouse style 2 bedroom security apartment is fresh, warm and relaxed in leafy serenity. Updated with new floors and white paint, this revitalised residence welcomes you in with its north facing dining area that catches the leafy shade, a timber look central kitchen (stainless steel appliances) overlooking the roomy living area, and a sliding glass door to the full width balcony terrace where you can entertain in idyllic bliss. There's desirable segregation upstairs between the 2 large bedrooms (built in robes), plus there's a skylit semi ensuite bathroom with European laundry. Jam packed with storage, this quality abode has all the essentials including reverse cycle air conditioning, panel heating, intercom and secure undercover parking. In this quiet pocket, so close to the Yarra River, Burnley Park and Melbourne Girls' College, grab coffee from the Bendigo Street Milk Bar, take the train from Burnley station or catch the tram from Bridge Road or Swan Street up towards the action.
