Spectacular garden living, one of four remaining city facing apartments. This grand 3 bedroom, 3.5 bathroom Residence is a truly rare and unique opportunity, with more than 108sqm of landscaped outdoor terrace, multipurpose retreat room and a private 3-car garage. Stepping through the private lift lobby laid in chequered marble flooring, the apartment is bespoke designed by award winning interior design studio Hecker Guthrie with uncompromising luxury and comfort. The kitchen is reimaged as the hearth of the home, with state of the art Wolf-Subzero appliances and a generous scullery for all your entertainment needs. Construction due for completion September 2024.
