Perfectly Positioned, Low-maintenance Living

A generous wrap-around rear garden, a lock-up garage with rear yard access, and a fabulous location a short walk to Darebin Creek trail, the expansive and refurbished Norris Street Parklands and a relaxed stroll to Bundoora Square and the #86 tram lead the list of prized benefits of this single-level home.

Lavish dimensions, easy care hybrid flooring and a split system unit enhance an interior, offering a large light-filled living area flowing through to an eat-in kitchen. They are complemented by two spacious bedrooms with built-in robes and a spotless bathroom boasting a separate bath and shower.

Presenting an ideal opportunity for first-home buyers and downsizers to enjoy the location and the lifestyle before introducing value-adding contemporary updates, it offers an equally compelling option for astute investors.
