Prime location - invest or move in now!

If it's location you're looking for, then look no further this renovated unit could be the savvy investment you've been looking for or your entry to the property market!

This brick unit also presents as a great opportunity to help you downsize while still having all the modern comforts.

With two bedrooms with built-in robes, a recently renovated kitchen with modern electric appliances and a functional bathroom allowing easy access, this property is a real gem being right in the heart of Lakes Entrance and within walking distance to health facilities, the shopping strip, schools and sporting facilities.

It comes with its own parking spot and a fantastic outdoor area where you can enjoy the north sun or establish a small garden and enjoy the outdoors.

With the property presented in immaculate condition and all the boxes ticked, there's really nothing more to do here - just move straight in or rent it out!
