Beachfront, Poolside, Courtyard Lifestyle!

Step down to your beach, splash out in your pool, entertain in your courtyard, lock, leave and live your dream resort lifestyle in the unique Vasilique group! Beachfront, poolside, courtyard-focused and completely carefree, this luxury two bedroom, two bathroom apartment has all the lifestyle options - with access to a sparkling pool to the rear, two carspaces and dual storage in a secure basement, and a walled entertainers' courtyard stretching out to the bay.

Conceived on a generous scale with elevated beachfront outlooks from extra-large living-dining and a bathroom for each big bedroom (one a private ensuite), this superior streetfront apartment showcases a luxe finish. With an elite Ilve kitchen faces the bay, floor-to-ceiling tiling for the designer bathrooms and stone benchtops (even for the full separate laundry), this high-quality apartment features super-sized robes and individual climate control for every room.

A weekday walk to Parkdale's latte strip and station, a weekend wander to Mordialloc's bars, baristas and beach culture, this is where resort living... meets latte life...meets lifestyle investment!
