This 2 bedroom apartment is located in the heart of Richmond with a level walk to the city train, schools, cafes and supermarkets. It is very comfortable and has always attracted long term tenants. Currently rented for \$350 per week until November 2023 with the tenant keen to stay. Located on the ground floor of a small complex, there is an updated kitchen, bathroom and laundry with tiled floors and polished floorboards. Although trains and buses are an easy walk, it also includes a single carport. This will go quick, so call Brad Drew on 9627 0000 to arrange an inspection.
