It's Big, Neat and Offers some very handy extras!

This one is a real surprise packet as it offers more than the average unit in many ways. With only 2 on the block the yard is large, includes 2 driveways, ideal if you have a caravan to store and no joining property, so privacy is at a premium. Inside, the property includes 2 bedrooms, both with built in robes, and yes they are bigger than usual, large open plan living/meals area, kitchen with breakfast bar and separate laundry. Other features include reverse cycle split air-conditioning, gas cooking and 3 piece bathroom with bath. From inside to out the property features a good size lock-up garage, garden shed and that all important 2nd driveway, giving you plenty of space to park a 2nd vehicle such as a caravan. Situated in sought after Kennington the position is handy to many amenities and only minutes from the Latrobe University and Bendigo CBD. This property will suit a multitude of buyers including retirees, first home-buyers, single/couples and investors alike. Well maintained this property is ready to enjoy from day one. Don't delay this one will not last.
