Bright, versatile apartment with study

Cass Property is pleased to showcase this light soaked apartment in central Asquith, ideal for investors.

Sunshine streams over the north-facing balcony, illuminating the whole apartment in lovely natural light. An open living zone extends out to the balcony through glass sliders creating a wonderful sense of spaciousness.

Versatile by design, the dedicated study is a highlight. Retreat to your own space for work or use it as a media room so everyone can spread out.

In the galley kitchen, find a gas stove, stainless steel appliances and twin sinks. Flat panel cabinetry is glossy and sleek, making a stylish combination with the 40mm stone benches and matching splashback.

Double built-in wardrobes are a thoughtful addition to the double bedroom which has uplifting natural light. Get ready for the day in the spacious bathroom with the style of a frameless shower, rainwater showerhead and modern two-toned aesthetic.

Tiled floors throughout make cleaning simple, with ducted air conditioning, a European laundry, linen storage and a car space for extra ease and comfort.

Promising city-style living in the suburbs, enjoy effortless access to trains, Coles, cafes and parks. Entertainment, shopping and dining options are moments away in Hornsby and it's a 40 minute train trip to the CBD.

We would love to hear from you to express your interest and look forward to welcoming you at our open home/s.
