## **Brand New Four Bedroom Waterfront Residences in Sydney's Hidden Harbourfront**

Putney Wharf Residences is a one-of-a-kind residential collection featuring a diverse trio of meticulously crafted homes, including luxury terraces, expansive apartments and heritage inspired harbourfront residences, bringing a rare lifestyle opportunity to this hidden harbourfront.

Expected to be Sydney Harbour's newest harbourfront lifestyle destination, Putney Wharf Residences flaunts a 36-berth private marina, premier waterfront dining venues, one of Sydney's largest greenhouse spaces, showcasing native palms and ferns, amidst a lush green foreshore of parks and mature fig trees.

Founded in the early 20th century, 'Lars Halvorsen & Sons' became renowned for boat craftsmanship and innovation. The shipyard thrived, significantly contributing to Sydney Harbour's maritime heritage. Today, Halvorsen's legacy continues with their classic vessels and the shipyard's transformation into a new harbourfront destination.

SJB's design blends seamlessly to create a cohesive space that evokes a deep sense of belonging and tranquillity amidst the iconic Sydney Harbour foreshore. Each aspect is thoughtfully considered, ensuring not only visual beauty but also practical comfort, making every moment spent here a serene and enriching experience.

Live the quintessential waterfront lifestyle, where every moment is a celebration of luxury living by the water, amidst a tree-lined village neighbourhood with vibrant lifestyle destinations just minutes away.
