Impeccably presented in almost new condition and superbly appointed with a timeless designer edge, this surprisingly spacious, three bedroom apartment is a rare discovery that spills outdoors to an impressive terrace that basks in the glow of northern and western sunshine. Organised around a stone-topped and waterfall-edged island bench, with a suite of premium Miele appliances and evocative, dark timber-toned cabinetry, the kitchen / dining / living is particularly impressive as it flows through double-glazed sliding doors to the sunny terrace with sweeping views to Kinglake Mountain. Meanwhile, the main bedroom features its own ensuite and a second terrace in this fully secure apartment with video entry, a fob-activated elevator and a storage unit, plus there are mirrored robes built into each bedroom, split system heating / air conditioning and (non-stacker) basement parking with potential for a second parking space in the near future. Simply stroll around the corner to The Pines Shopping Centre for wonderful cafes, endless shopping and plenty of buses, plus you can enjoy easy access to the Eastern Freeway from this parkland-surrounded position at the gateway to the Yarra Valley.
