Enjoy the fresh air and openness from the second floor height of this stylish two bedroom two bathroom security apartment. Meticulously maintained, this spacious stunner features a long hallway to the relaxing open plan living and dining area with its floor to ceiling windows opening onto the full length balcony terrace to wine, dine or watch the world go by. The views are spectacular spanning across the rooftops to see the palm trees, high rise buildings and local landmarks. The kitchen is chic with stainless steel appliances, a glass splashback and plenty of cupboard space. There are two good size bedrooms with windows to the north and south (robes), two funky bathrooms (ensuite) with a bright blue glass highlight, and a European laundry in the hall. The perfect place to nest, invest or start your real estate journey, this village favourite is complete with reverse cycle air conditioning, video intercom, a storage cage and lift access to secure basement parking via the rear lane with access to both Station Avenue and Prince Edward Avenue. In the sought after McKinnon Secondary College zone, surrounded by cafes, boutiques and footsteps to McKinnon station, it's ideal for all ages with its gorgeous parks, Chadstone bus and beautiful community.
