Bidding Guide \$1,750,000

Experience the pinnacle of modern living in this luxurious Huntington apartment, offering breathtaking 180-degree views of Newcastle Harbour. North-facing to capture the best of natural light, this high-quality residence has been meticulously crafted by award-winning developers, Doma Group, in collaboration with Bloc. Step inside to discover an oasis of luxury with high-end finishes, including premium fixtures, elegant flooring, and state-of-the-art appliances. Every detail has been carefully considered to create a sophisticated and comfortable living environment that epitomises modern elegance. Ideally located in the heart of Honeysuckle, this property places you perfectly between Newcastle's vibrant urban core and the serene oceanfront. Enjoy the convenience of being just a short stroll away from a variety of cafes, restaurants, and bars along the lively Honeysuckle Boardwalk. Huntington is a unique complex that ensures residents are always in tune with the city's pulse and the natural rhythm of the harbour. Whether you're drawn to the bustling nightlife, cultural landmarks, or the soothing sounds of the harbour, this location offers the best of both worlds for an unparalleled living experience.
