## Premium Opportunity Available - Move Quickly!

Unveiled only recently and scheduled for a late-2023 completion, The Witton is Mosaic's fastest-selling Brisbane project in history, offering a level of quality and amenity beyond anything delivered before to Indooroopilly.

Everything you could want or need is within short, easy reach, being located just 350m to the Brisbane River, 150m to Indooroopilly Shopping Centre, and less than 6km to Brisbane's CBD.

Designed in partnership with Rothelowman for the most discerning owner-occupier, two architecturally striking boutique buildings feature floor to ceiling double glazing to showcase the spectacular urban, river, and hinterland views and verdant surrounds.

Oversized 2- and 3-bedroom apartments are finished with premium fixtures and bespoke detailing, flowing onto generous balconies, perfect to make the most of Brisbane's ideal subtropical climate.

A superb rooftop recreation level has an infinity-edge pool, relaxation lawns, lounges, barbeques, dining areas, a commercial-grade gymnasium and magnificent city, river and hinterland views. Residents can also access a Tesla 3 car share service.

We have had one exceptional opportunity just become available for a 102sqm, 2-bedroom premium level 4 residence in this sell-out project. Boasting a private corner position and surrounded by greenery, highlights include:

- ☑ Private and spacious 102sqm premium level 4 residence
- ☑ Located within a boutique building of only 21 apartments
- ☑ Connected to an outstanding level of rooftop amenity with stunning views
- ☑ Overlooking treetops with full height windows and doors to capture natural light and air flow
- ☑ Open plan layout and large bedrooms with built-in robes
- ☑ Body Corporate \$5,551 p/a inclusive.
