Lock-Up And Off You Go!

Throw away your car keys and embrace a five-star car-free lifestyle with this position-perfect one-bedroom apartment in the popular Polaris Estate.

Set inside a boutique building within easy walking distance of Polaris Town Centre, Bundoora Park (and its popular golf course, café, communal BBQ areas and children's playgrounds!) and the No.86 tram, which offers a direct link to DFO Uni Hill, RMIT University, La Trobe University, bars and cafes along High Street and Plenty Road and, of course, Melbourne's CBD, a five-star level of convenience is at your door.

That winning feeling extends into the radiant interior of this chic and stylish apartment, which excels with its quality contemporary finishes, indoor-outdoor design and low-maintenance lifestyle appeal.

An undercover balcony stretches across the open-plan living domain to create seamless movement between both lifestyle spaces, and when you're in the mood for creating a culinary feast, the sleek open kitchen with Bosch stainless steel appliances has you covered.

A bright mirror-robed bedroom is of a generous nature and serviced by a deluxe bathroom (with laundry facilities), while this fantastic first home, outstanding investment or downsizing option also features square-set high ceilings, warm timber floors, split-system heating/cooling, secure video intercom entry, storage cage and secure car space.
