Amazingly original, the perfect example of an apartment where potential and position bring out the best in each other. A central living/dining area of traditional c1970 style opens to a balcony where the views over South Yarra's surroundings provide a sensational visual reminder of the setting, so conveniently close to Toorak Road cafes, trams and South Yarra station for train travel to the city. The separate kitchen, equally defined by its sense of pure potential, appreciates its own outlook towards the streetscape while two double bedrooms orientated to the rear each include built in robes and share a central bathroom that confirms the property as a significantly rewarding project. An allocated under cover car space is the ideal accompaniment to the opportunity to own an apartment offered for the first time in decades, destined to guarantee a great lifestyle in a location with obvious investment appeal.*Arranging an inspection is easy!
