Smartly-Styled Sophistication by the Park

Sitting around the corner from Park Road, this smartly styled two-bedroom residence enjoys all the advantages that come with living in such an illustrious area. Cheltenham Park, Southland SC, and Cheltenham station village sit within walking distance of the door, culminating in a fantastic lifestyle proposition for young professionals and downsizers alike.

A fresh and modern interior makes clever use of hardwood flooring and square-set joinery for a crisp, clean finish. The living & dining zone and the balcony integrate seamlessly to provide a relaxed yet sophisticated response to home entertainment.

The quality finishes which feature throughout are remarkably clear in the kitchen, which includes a stone waterfall serving bench, monochromatic colour palette, and European appliances.

Two-bedroom accommodation comprises a large master bedroom with BIR, study nook, & ensuite; and a secondary bedroom with BIR and a main bathroom.

Complemented by floor-to-ceiling tiling and frameless rainfall showers in both bathrooms, the property includes a living-room A/C, ceiling fans, Euro laundry, a storage cage, storage locker, and secure parking.
