Indulging in glorious sea breezes and salt-kissed rays, this large modern apartment sits in the perfect coastal location! Nestled near the foreshore of Currumbin Creek and within walking distance to beachfront and dining, you'll enjoy picture perfect coastal relaxation with glorious complex amenities to match! Ideal for a wide range of buyers, be it owner occupier, holiday seeker or investor, this stylish apartment embraces a low-fuss lifestyle without compromising on comfort. Tiled floors and reverse cycle air-conditioning feature within open-plan living and dining, connecting seamlessly to a large modern kitchen. Superbly sized and leaving you wanting for nothing, there is excellent storage wrapping around a generous footprint, complemented by quality appliances, gorgeous stone and a large centre island. River views and cooling sea breezes offer the perfect backdrop to your private alfresco, flowing from the interior living space and set upon a tiled and covered balcony. A BBQ kitchenette provides easy outdoor entertaining, whilst the view down to the complex resort-styled swimming pool adds to the perfection. Two well-sized bedrooms sit privately at the rear of the apartment, each with a private balcony. In addition, there is a separate office/multi-purpose room, perfect for bunking extra kids on holidays, a home office or simply added living! The master has a walk-in robe and contemporary ensuite with bathtub whilst a second contemporary bathroom caters to the remainder of the occupants. Additional features include a separate laundry, two car parking and large storage cage. For your relaxation, a massive in-ground swimming pool sits amongst landscaped gardens, complete with poolside lounging and separate spa. Alternatively, take the stroll along Currumbin Creek and enjoy a salt-kissed dip at the gorgeous Currumbin Beach! Tarte Beach House is across the road for your lazy weekend brunch whilst additional shops, dining, schooling and transport all within walking distance means you can park and leave your car alone!
