Your New Lifestyle

You'll discover Novello five minutes from the bustling centre of Wollongong, cradled by the spectacular Illawarra escarpment to the west and its pristine beaches to the east. The city has modernised, giving way to a light, easy, and cosmopolitan lifestyle. New, innovative businesses are driving leading-edge employment opportunities and the University of Wollongong attracts the best students from around Australia and the world. This is a sophisticated city with a wonderfully unique and promising future.

Your New Backyard

Your new Novello apartment offers the luxury of being located in the heart of all you could ever want or need. The coastal and mountain nature trails. The supermarkets, department and boutique stores. The farmers' markets, delis, butchers and bakeries. The countless restaurants, cafes, bars, galleries, cinemas, sports and music venues. The access to Lake Illawarra and the beautiful south coast. The five-minute stroll to the train station offers a commute just over an hour to Sydney's CBD.

Your New Sanctuary

Welcome to your new lap of luxury. The level of finishes and quality features inside these apartments are remarkable. Yet it's the structure's brilliant design in maximising the spectacular outlooks which is truly impressive. It's hard to drag your eyes away from the Illawarra's majestic escarpment, the blue Tasman Sea or Wollongong's ever-changing cityscape especially through floor-to-ceiling glass. However, once you do, you'll start to appreciate the thinking, workmanship and detail in your new home.
