A three bedroom apartment in Armadale is rare indeed, more so when it has captivating views that stretch to the city skyline. This classical elevated apartment flaunts all that and more. Offering a perfect blend of contemporary design and convenient living, the apartment is located in the heart of Armadale, just moments away from High Street's boutique shopping strip, cafes, and public transport options. Upon entering, you are greeted by a wide hallway with timber flooring that guides you to the spacious west facing living and dining zone. Generously proportioned and bathed in natural light, this inviting space is the epitome of timeless comfort and style. Step out to the west facing balcony where you can enjoy the sunshine and stunning sunsets with friends. The separate kitchen is sized for a family with plentiful storage and bench space, a full size stainless steel dishwasher, stainless steel under bench oven and gas cooktop. Three genuine bedrooms with built-in robes, the main with desk, are served by a bright contemporary bathroom with a separate bath and shower, great storage and laundry facilities. Stay cosy year-round with ducted heating and air conditioning throughout the apartment, while a lock-up garage and security entrance add further convenience. Within the Armadale Primary School Zone and surrounded by a choice of private schools, the apartment provides the perfect setting for family living.
