Claiming a private top floor position in a boutique block of 4, the loft-style residence is superbly located close to an amazing variety of lifestyle amenities yet still ensures plenty of peace and tranquility for its occupants. Complemented by the soaring vertical dimension of vaulted ceilings, the tastefully updated interior is positively brilliant with a wonderful sky-lit living room; a modern kitchen planned for efficiency with stainless-steel oven, gas cooktop, Miele dishwasher, stone-topped, glass splashbacks and breakfast bar; and a dining area flanked by ultra-deep 'Harry Potter' storage cupboards – not something you get to see every day in an apartment. A wall of built-in robes is fitted in the bedroom, which sits next to a renovated bathroom. Additional features include a European laundry, ducted heating and cooling, secure intercom entry that's shared with just one other apartment, a built-in unit in the living room, street parking permit available through council and unexpected city views in the distance. This super-appealing apartment is just footsteps away from Fitzroy Street's side-walk cafés, bars, restaurants and shops, city trams, Albert Park, the golden sands and walking and cycling tracks along Port Phillip Bay, and beautiful Catani Gardens. Please note this property is offered fully furnished.
