Quiet, Affordable and Low Maintenance in a Sought-After Location

When location matters most, you can't go past this South Williamstown gem with views of the bay and coastal reserve from the doorstep. The 2 bedroom ground floor unit is one of only six, perfect for those seeking low maintenance living or a savvy investment.

- Step from the covered terrace into a well presented, tasteful, neutral décor, with split system air-conditioning and security screen doors front and back.
- Floor to ceiling windows invite natural light and cooling sea breezes into the main living room and offer views of a quiet and shaded streetscape, perfect for enjoying a morning coffee.
- A contemporary kitchen/casual meals area includes timber benchtops, timber look flooring and modern stainless-steel appliances.
- Two well-proportioned bedrooms are light and bright with floor to ceiling built-in robes and ceiling fans. They share a central bathroom with shower / vanity / toilet and heater to keep any winter chill at bay.
- Off-street parking for one car with access from both Ann and Hanmer Streets.
- Local cafes, hotels and restaurants less than a 10 minute stroll and the Melbourne CBD accessible in 25 minutes. Williamstown Railway Station is 100 metres from the front door.
