Expansive house-like sanctuary with north facing gardens in a boutique building of only three

Positioned in a stunning building of only three residences, this expansive house-like sanctuary presents generous proportions, a lush tranquil garden and its own private entry.

Boasting 298sqm of living space in addition to the garage, the voluminous layout showcases beautiful character details throughout, including soaring ornate ceilings and timber floorboards. Light and airy interiors are awash with sunshine, featuring voluminous open plan living zones that spill onto an entertainers' alfresco covered terrace.

The manicured Italianate garden sits with an exquisite northerly aspect, immersed in the hedge-lined surrounds that afford a wonderful sense of seclusion. The highly versatile floorplan features two oversized bedrooms with sitting rooms plus a library that could easily be utilised as a third bedroom.

Charming, spacious and showcasing a timeless elegance, this beautiful home presents incredible further scope to make it your own with a bespoke designer renovation.

Complete with a lock-up garage, off street parking space, a wine cellar plus vast amounts of internal storage, it's located moments from Bondi Beach, plus the dining, boutiques and café hub of Bondi Village.
