From the moment you step foot inside this striking two-bedroom apartment, you'll be taken by just how spacious it truly is. A large combined meals, kitchen and living area is roomy and comfortable and is adorned with luxurious features such as granite bench tops and stainless-steel Miele appliances. It's rare to find an apartment with such oversized bedrooms, and that's exactly what you'll find here. The master has an adjoining ensuite with a bath tub and a secluded powder room or study space. The room has direct access to the terrace, likewise the second bedroom, which has its own bathroom, a built-in wardrobe and split system air conditioner. It comes with a secure basement car park and use of the complex's swimming pool. The apartment is nestled within a low-rise development in a peaceful pocket of Richmond, but is just moments away from bustling Bridge Road. Direct freeway access is within easy reach. But when you're situated in one of Melbourne's best suburbs there's not much reason to leave. Picture yourself sipping a latte at one of the hip cafes nearby, strolling to Citizens Park, or shopping up a storm in the many boutiques. This is the lifestyle everyone wants - and you can have!
