Immersed in the most breathtaking, uninterrupted views of Melbourne City, this exquisite, brand new penthouse is finished to the highest calibre and privately positioned in a boutique complex of only 11. Architecturally designed by MIM Design and masterfully constructed by EBG Developments, every detail of this luxurious apartment has been carefully considered and curated without parallel. Timber floors, custom joinery and abundant light from the full-height glazing make a spectacular impact throughout the expansive open-plan living/dining zone (warmed by an ambient electric fireplace), unfolding seamlessly to a huge wrap-around entertainer's balcony - where you can sit, relax and take in the most spectacular panoramic views of the CBD. The sophisticated kitchen takes centre stage, and is lavishly appointed with leathered granite benchtops, Gaggenau cooking appliances including steam oven, integrated Miele dishwasher and Liebherr integrated fridge/freezer - creating a state-of-the-art culinary experience. An over-sized master suite is luxuriously fitted with a huge dressing room/retreat, private balcony and chic fully-tiled twin ensuite with freestanding bath, accompanied by 2 further robed bedrooms and stunning bathroom. Truly one-of-a-kind, this jaw-dropping residence is complete with heating/AC, large walk-in linen closet/storage, generous laundry with hanging area, secure intercom entry, 2 basement car spaces and storage cage. Delivering the pinnacle of high-end living in a prestigious Bayside setting, a stroll to the train station, supermarket, a plethora of cafes and restaurants and a heartbeat to the beach.
