High On Lifestyle and Luxury

An indulgence in design and lifestyle, this premier 2-bedroom 2-bathroom top floor north-facing apartment has all the finishing touches. In the boutique 'Elk' development, using architectural windows, timber look accents and white washed Oak floors to create a stunning Scandi interior, this beautiful apartment features an entrance hall that wraps around to the thoughtfully designed kitchen with Smeg appliances, concealed fridge space, pantry and a stylish island bench with steps down to a fitted dining table, sun splashed living area which opens to a relaxing covered alfresco terrace (bay glimpses through the trees); 2 north-facing bedrooms (with robes) and 2 sublime bathrooms (ensuite and European laundry).

Using high level fixtures and fittings to flatter the spaces, this exquisite apartment features reverse cycle air conditioning, video intercom, double glazed windows, lift access and secure basement parking with over the bonnet storage cage with bonus separate second storage cage.

Enjoy the communal rooftop BBQ area on a nice afternoon, or make your way to Elsternwick Village, just a short stroll away, with its amazing restaurants, cafes, wine bars, cinemas and transport connections (bus, train and tram), or walk across the road to Elsternwick Park and the glorious nature reserve and beyond to the beach.
