Designer style, space and high functionality

Showcasing both smart contemporary style and easy convenience, this ultra-modern apartment provides a chic executive retreat with designer finishes and elevated outlooks over the surrounding area. It offers a great low maintenance home that is quietly tucked away in the near-new "Skyline" complex in a top location right in the heart of Rhodes Peninsular. The lifestyle here is fantastic as it is only a few footsteps to community shops, village cafes and Rhodes train station.

What we like about the property:

- + A generous double bedroom plus separate study area
- + Bright and airy open design with lounge and dining spaces
- + Wide covered balcony that flows easily from the living area
- + Caesar stone kitchen with top-of-the-range gas appliances
- + Designer bathroom, internal laundry and good built-in storage
- + storage in basement, intercom entry and lift access. No car space.
