## 32 Bosisto

An exceptional third floor 2-bedroom corner and contemporary apartment with a terrace that is big and spacious with urban and lifestyle views that are just as big.

In the central Bridge Road and Epworth Hospital Precinct this is an ideal property for anybody let alone for those in the medical profession.

On the corner of Bridge Road access to the apartment is via security and a short lift ride to the floor where once inside you will find favoured open design, 2 bedrooms, the master with a study area, robes of course, all the mod cons that you would expect plus car parking in the basement below.

On the cusp of the city itself which is within walking distance this affordable property is a must.
