Luxurious Two Bedroom Apartment with Park Views just off Chapel Street!

An outstanding two-bedroom residence in the recently built boutique 'Southside House' designed by the acclaimed 'Idle Architecture Studio'. Merging upscale living with a dynamic location, this impeccable apartment provides the epitome of a contemporary lifestyle.

The apartment offers a sun filled open-plan living/dining area, high-end kitchen features stone benches, Smeg appliances, and an integrated fridge/freezer. Floor-to-ceiling glass doors, double glazed, open to the captivating northwest private terrace showcasing park views and glimpses of the city. Featuring two generous bedrooms with built-in robes and two designer bathrooms (master with ensuite).

Additional features encompass ducted heating and cooling, secure storage cage and basement parking space (not a stacker).

Conveniently located across the street from James Street Reserve, Chapel Street's bars, restaurants, and cafés, Windsor Station, and multiple tram stops.
