Photo show the finish only, need to attend in-person inspectionPerfectly positioned in the heart of North Melbourne, this two bedroom apartment is the ideal opportunity for you to enjoy the inner city living lifestyle. With quality fixtures and fittings throughout, Charlotte Apartments is the latest boutique creation by Drake Developments and Nicholas Murray Architects. With a keen eye for attention to detail coupled with this highly sought after location, this property is an opportunity not to be missed! Comprising of sun filled open plan living area, modern kitchen with electric stove top, dishwasher and ample storage space, two bedrooms with built in robes, bathroom with large double shower and laundry facilities. Other features of this property include split-system heating and cooling, security intercom and of course, its amazing location. Basement car park included plus over-bonnet storage. Situated near the corner of Dryburgh Street and Arden Street, this property is within close proximity of local parks, recreational facilities, the hospital district, universities, Victoria Market, Royal Park, and all the local restaurants, cafes and shops that Errol Street has to offer. This property is also easily accessible with freeway access and public transport close by, you are only a short ride away from the heart of the Melbourne CBD! ***Note- Car Park is via Car Lift***
