Facing Johnson Street with breathtaking north and east-facing views, take a fashionable first step into the property market or downsize your home while upgrading your lifestyle with this sleek and stylish two-bedroom apartment. Housed within the exclusive 'Cappella' development and designed in collaboration with Cornetta Partners Architects and Hachem, this luxurious low-maintenance lifestyle upgrade excels with its quality contemporary finishes, square-set ceilings, light-filled appearance and fashionable persona. Two chic bathrooms comfortably service two robed bedrooms (ensuite and balcony access to main), while that essence of style and functionality extends to the modern kitchen equipped with sleek stone surfaces, stainless steel appliances, ample storage and a breakfast bench. The integration between the open-plan living and full-length entertainer's balcony makes indoor-outdoor living possible, and with dramatic sunrises in perfect view, sitting on the balcony with a warm coffee in hand is the best way to start your day! Featuring split-system heating/cooling, single car space, storage cage and European laundry, move straight in and enjoy a five-star lock-and-leave lifestyle footsteps away from a thriving local dining strip, Keon Park train station, bus services and JC Donath Reserve and minutes from High Street's famed dining precinct, Preston Market, schools and the Metropolitan Ring Road.
