32/82 Myrtle Street, Chippendale, NSW, 2008

Bedrooms: 1

Bathrooms: 1

Type: Apartment

Bespoke architectural renovation in 'Myrtle House'

Rich in authentic warehouse character, this corner apartment overdelivers for a one-bedroom city-fringe offering. Both the open living space and bedroom feature overheight, exposed-beam ceilings and open out to the balcony for outstanding cross breeze, natural light and leafy outlooks. A bespoke architectural renovation delivers a cool, design-hotel ambience, with a bold mix of colour, finishes and integrated storage throughout. In a quiet pocket on the edge of Peace Park, this is one of the most liveable pockets of the inner city, a short stroll to Chippendale Green, Broadway, the universities and transport links.

Highlights

- * Corner apartment in security building
- * Renowned conversion 'Myrtle House'
- * Overheight windows & natural light
- * 3.6m exposed ceilings & timber beams
- * Central balcony & leafy quiet outlooks
- * High-quality fitout & creative design ideas
- * Custom joinery/storage integrated throughout
- * Designer lighting, desk, hidden laundry
